- Use the spelling as seen in the lyrics. Do not change the word. For example, don't change a singular noun to the plural form or use the infinitive of a conjugated verb.
- If a word has an accent, use the letter without an accent. Wordle doesn't use accents.

Task: Unlock each wordle by studying the song lyrics for each song. Song lyrics found on my website. Include each word and translation on a piece of paper. Set up like example
