### FLASH culturel

Haiti is a former French colony. Toward the end of the eighteenth century, the black slaves who worked in the sugar cane plantations revolted against their French masters. In 1804, Haiti became an independent country. It is the first republic established by people of African origin.

Today French, which is the official language of Haiti, is spoken by many Haitians, along with Creole. Many people of Haitian origin live in the United States, especially in Florida, New York, and Boston. If you meet young Haitians, you might want to speak French with them:

## 2. Bonjour!

The following people meet in the street. How do you think they will greet each other? Fill in the bubbles with the appropriate expressions.

## 3. Ça va?

How do you think the following people would answer the question Ça va?

## 4. Communication: En français!

You have just enrolled in a French school as an exchange student.

1. On the way to school, you meet your friend Catherine.

Say hello to her.

Bonjour / salut

Ask her how things are going.

Ça va? / comment ça va? / comment vas-tu?

2. Now you meet Mademoiselle Lebrun, your new music teacher.

Say hello to her.

Bonjour mademoiselle.

Ask her how she is.

Comment allez-vous?

### FLASH culturel

Although all of these countries border on France, only Switzerland has a sizeable French-speaking population. The main French-speaking city of Switzerland is Geneva (**Genève**), which is the headquarters of the International Red Cross and the seat of several other international organizations.
